

Pure In Heart

Christian Science Society, Mission Viejo

Sunday Church Service

Sundays at 11:50am

A Christian Science church service is a precious spiritual gift and a sweet prayer for the community.

Where: Norman P. Murray Community Center
24932 Veterans Way Mission Viejo, CA 92692

All are welcome, come as you are!

Children are welcome at all of our services 😊

A Christian Science Sunday service is a healing service.

It is God speaking directly to each listener's heart. The powerful truths read from the Bible shine forth without personal opinion. Mary Baker Eddy's inspired work, *Science and Health with Key to the Scriptures*, complements the Bible texts, sharing the spiritual import of the Word.

"Divine presence, breathe Thou Thy blessing on every heart in this house"
